## Activities And Honors

- I was a part of my school student council as the Student head-boy and house vice-captain, honing my leadership skills in the process
- I have always had an inclination towards sports with my records including me being an integral part of my college football team where we went on to be runner's up in the 'RV annual sports tournament'.I was also part of my school's football team which went on to win the 'Independence day cup'.I also helped my school cricket team to qualify in playing second division cricket.
- Apart from sports I've been an active participant in the MUN society and participated in over 5 MUNS winning accolades like 'special mentions' in the process.
- I have volunteered throughout my college years in organising various intercollegiate fests, MUNS, seminars.
